Scientific Breakthrough: Donuts Are Not Limited to Policemen

Recently spotted in the parking lot of the Steak and Shake in South Reno were 6 Mustangs (and a single forlorn Ford Explorer) and 10 members of the Reno Mustang Car Club. They were eating donuts while standing 20 yards from a restaurant serving some of the best burgers and shakes in town. An investigation revealed that there were at least two members with police connections, so there is speculation that donut addiction is contagious.

President's Message

Ramsey came through with 2 boxes of donuts at the south location. Welcome to our new member Richard Cribben who came out for this event with his beautiful 1966 convertible tribute Mustang. *(Ed. Note: Shelby GT350H)*

We are providing some calendar information on upcoming events, cruises, etc. Working on our plans for the Mustang Day Event! **SAVE THE DATE: Saturday April 17th.** An e-mail with the information will come as soon as the plans are finalized.

Spring is here, weather is wonderful! Can't wait to see you all at some these events!

If you missed the Steak and Shake Cruise, a fun time was had by all. Donuts were provided by Eric at the north location. David

Look closer, the sign reads: WEAR A MASK OR GO TO JAIL. Spanish flu, California 1918... 🤔

The more things change, the more they stay the same.

Mustang Mystery

(Ed. Note: I received this message from VP Gary Pavone a couple of months ago and failed to get it into the last newsletter. If anyone has any info or memory of this, please let us know.)

Hi Brent,

About a month ago I was contacted by a person who had sold his '68 Mustang coupe to a member of our club in 1998. He thought the person was the Vice President at the time. His name is Justin Wilkison. He is looking for the car. I have done some research myself and also reached out to Ron Wheeler and Kathleen Clemence. We had a good lead but when I contacted them it was obvious, they weren't the owner of Justin's car. Kathleen told me that her husband, Von was the VP of the club in 1998, so that piece of information isn't accurate. Justin told me that the car was an original 289 car but had a 6 cylinder in it when sold. I've attached a picture Justin sent me. Any chance we can put something in the next newsletter?

Thanks for your help.

Gary Pavone

The Nevada Car Coalition is setting up a cruise on June 12th. Confirmed details will follow. The plan is to meet at Bully's in Carson City at 9am and cruise Jacks Valley Road to Genoa. There will be a short stop in Genoa. The cruise will then proceed through the Diamond Valley Loop on route to Markleeville, CA. The destination in Markleeville is Out West Café and Dollface Cheesecake. Once the plans are finalized, an accurate headcount will be needed as tickets will be sold for one of 2 lunch options.

Plans are being made and in process of being confirmed for July 17th for a cruise in at the town of Genoa, NV. Once confirmed and details are given, they will be passed on to everyone.

Scoopers Cruise-In

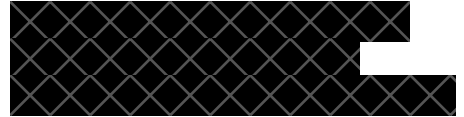

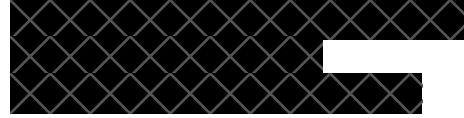

Do you think those people who jump in Lake Tahoe in the middle of winter are crazy? Not much worse than a car club who meets at an ice cream parlor during winter. Well, we did it anyway. Ice cream is always good. At least we kept our clothes on. Heavy coats and all. The proof is in the pictures.

1965 Ford Mustang Dash Pad, This is the style for the 1964 1/2 to 1965 model year first generation Mustang, will fit coupes, fastbacks, or convertibles, purchased from Summit Racing as a Demo in their used parts selection in the showroom before covid-19 hit, Black vinyl reproduction, never used or mounted, it is a little warped from sitting on the shelf, I put it in the sun to take pictures and it began to relax and straighten out, there are some surface scratches and a few minor impressions from things sitting on it, but no cracks or tears, it's flexible, it's been sitting on the shelf for over a year, you can see that I paid \$60 for it, I'm asking \$40, super deal for a new dash pad! See pictures for details. ronmckimmy@yahoo.com
