

## Mustang Tales

### FROM OUR PRESIDENT

#### Raul Caceres

RENO MUSTANG CAR CLUB update for 2022:

Since the beginning of 2022, the president of RMCC has attempted to include twice monthly activities. To date, we have really had the opportunity to experience some very fun and rewarding get-togethers. The first organized activity we experienced was a drive to Incline Village to celebrate the Mustang's birthday in April, lunch included.

We are very fortunate to have a great baseball team, the RENO ACES. A fun group of RMCC members attended an exciting game in which the ACES won in the 9th! Our activities chairman Misty did a great job getting us discounted tickets and wonderful seats.

In June RMCC Shelby owners participated in a special drive around the north end of Lake Tahoe. Along with a group from California, over 60 Shelbys joined the annual drive, SNAKES AT THE LAKE.

So far, the highlight of the year was the Truckee 4th of July parade. With 12 Mustang owners we organized at Gold Ranch Casino and proceeded to Truckee. The parade, which lasts about an hour, is just crammed with a huge number of spectators. After the parade the group proceeded to the FIFTYFIFTY BREWING restaurant for a tasty lunch.

During the summer months of July and August we enjoyed some drives to have breakfast and/or lunch in Sparks at Rounds Bakery and A&W restaurant.

Future activities for RMCC activities are listed on the website calendar. September activities include two driving/lunch get togethers. October will include a trip to Minden Airport for the BLUE ANGELS aviation show. We have an upcoming parade for Veterans Day in Virginia City. In December there will be the Christmas parade in Sparks, and a holiday party will be organized.

Note: there will be monthly meetings at the South Valleys Library in October and November.

Please keep abreast of future activities by referring to the website ([www.RenoMustangCarClub.com](http://www.RenoMustangCarClub.com)) and [Facebook](#).

## MEET YOUR NEWSLETTER EDITOR

My name is Sharon Wilson and I have volunteered to be the club's Newsletter Editor. My husband Lynn Boutilier has been a member for a few years, but I just recently started attending meetings and events. I was the Newsletter Editor for our scuba diving club for many years, and I am currently the Webmaster for the Northern Nevada Harley Owners Group, so I do have a little experience. I haven't had anyone to lead the way here, so I am looking at back issues and experimenting a bit. I would love feedback and contributions from any members for future editions. My goal this month was to get something out before the September activities, so the content may be a little lean this time around. I hope to beef it up in the future with your help!

Feel free to email me any photos, articles, or information you would like included in the newsletter. My email address is [DivrSharon@gmail.com](mailto:DivrSharon@gmail.com). I plan to do an issue every two months, so you have plenty of time to get something in before the November/December issue!

## MEET YOUR RMCC HISTORIAN

Hi, I'm Lynn Boutilier. As the newest RMCC Historian, I am responsible for maintaining an archive of items documenting the activities of the club. To help me in doing so, I am requesting your assistance in collecting information from club events. In order to show off your car, highlight or embarrass your family or other club members and continue the ongoing history of the club, please send me any photos from events you attend, including ones from earlier this year. Be sure to include identifying information about the event, such as the date, location and any other important information. If you have any other information to assist in documenting the club's history, please send that also. You can send the information to me at [DivePsych@aol.com](mailto:DivePsych@aol.com).

Thanks in advance for your assistance.

*Lynn Boutilier, Historian*

## ABOUT US

The Reno Mustang Car Club always welcomes new and returning membership by those with ownership of or interest in the Ford Mustang Automobile. We are a chartered organization established in 1982. RMCC sponsors a major car show each year, participates in many Hot August Nights activities, "adopts" a classic Mustang at the National Automobile Collection in downtown Reno, and schedules many social events for the enjoyment of its members. Join the fun and share the joys and challenges of owning any year or model of an American automobile icon: The Ford Mustang.
